What is the GWG Plate

It is played in conjunction with the GWG Championships

Think of it as the plates/bowls format with a few tweaks.

8 players (minimum) that enter under their home club made up of Men's, Women & Juniors qualify for this prize.

There must be a minimum of 5 club with a minimum of 8 players for the prize to be awarded

Ask your men's & women's pennant teams to enter, the more players that enter the

"GWG championships" the better chance you have in winning

\$500 or \$100 extra if a Junior played

The scratch scores will be converted into Stableford scores and the best 5 x 18 holes will make up the total for each club participating.

Example

1 x Men's 36 holes when converted into Stableford points = 2 cards

1 x Men's 18 holes converted into Stableford points = 1 card

1 x Women's 18 holes converted into Stableford points = 1 card

1 x junior 18 holes converted into Stableford points = 1 card

Many combinations of the 8 or more players could make up the best 5 cards

If two teams have tied, the 6th card will be added, if still tied the 7th card will be added and so on.

The more players your club sends the better chance of winning up to \$600 for your club

Last year Garfield GC won the plate & \$500

2022 Warragul GC won the plate & \$600
