4.2.1. Round robin contests will commence in groups of four (4) via a shot-gun start at **09:00am** from the designated starting tees listed on the draw, unless otherwise advised by GWG M&P.

4.2.1.1. As a shot-gun start method will be used to start round robin fields, GWG M&P strongly advise all Clubs to have team members at the host course 30 minutes prior to the scheduled start time, and ready to play at least 15 minutes prior to the scheduled start time.

4.2.2. Final contests will commence from the designated starting tees at the times and in the order listed on the draw, unless otherwise advised by GWG M&P.

4.2.3. In any contest, if a player arrives at his starting tee, ready to play, within five (5) minutes after his starting time, in the absence of circumstances which warrant waiving the penalty of disqualification, as provided in **Rule of Golf 1.3c**, the penalty for failure to start on time is loss of the 1st hole instead of disqualification. Play will commence from the 2nd hole, however per Rule of Golf 7-1a players can play the first hole as practice. If the player arrives after the 2nd hole has been completed, no consideration can be given and he must be disqualified

4.2.4. In any contest, if both players arrive at the starting tee, ready to play, within five (5) minutes after the starting time, in the absence of circumstances which warrant waiving the penalty of disqualification, as provided in **Rule of Golf 1.3c**, play will commence from the 2nd hole with the match all square.

4.2.5. In any contest, if a nominated player is not in attendance or is otherwise unable to play when required to do so, the emergency(s) (if named) may be immediately substituted for the nominated player, but only in that player's listed team position. An emergency player can only be substituted up to and including the hit-off time of the listed player who has failed to appear.

4.2.6. In any contest, an emergency player not utilized in a particular team is eligible to play in another Team on the same day/round.

4.2.7. If a Men's team consists of fewer than 5 or 7 players, walkovers will be given from the 5th or 7th position. If a club intends to give a walkover in an individual match or a contest, the captain or manager of the opposing team and the host club should be notified prior to the match or contest, if possible on the day prior to the contest. If a walkover has been given, the opposing player or team need not be present on the day of the match or contest.

4.2.7.1. A 10/8 win will be awarded to the team receiving the walkover.

4.2.7.2. The player listed and receiving the walkover is eligible to play in another Team on the same day/round. However, he must be named as an emergency in that team.

4.3. Honour, match duration and hit-off order

- 4.3.1. In round robin matches A toss of coin will determine the honour in all matches.
- 4.3.2. A toss of coin will determine the honour on the 1st tee for final matches.
- 4.3.3. All matches will be played over 18 holes' match play from the tee markers as directed by GWG M&P under advisement from the host club.
 - 4.3.3.1. In round robin matches, if a match is square after the completion of eighteen (18) holes, the match is halved.
 - 4.3.3.2. In final matches, if a match is square after the completion of eighteen (18) holes, the match will continue until one player secures the advantage, however the captains of both teams may agree that a match may terminate without a winner if the contest is decided. In this case, the match is halved.
- 4.3.4. In round robin contests, as matches will be played in groups of 4 (two matches per group) WG M&P have adopted the following Competition rules:
 - 4.3.4.1. **Order of play from tees, fairways and greens**- "individual match order of play" principles should be adhered to where possible, but GWG M&P direct all players to adopt "ready golf" principles should this be required to maintain pace of play in the field.
 - 4.3.4.2. **Rules of Golf – ball in motion deflected or stopped by outside agency** in GWG Men's Pennant, the other two players in a group shall be defined as being outside agencies. In the event a player's ball in motion is accidentally deflected or stopped by an outside agency, it is a rub of the green and procedures in **ROG 11.1a-b** should be followed.
- 4.3.5. In final matches, matches will hit off in reverse team sheet order.

4.4. Pace of play

- 4.4.1. All matches are expected to complete 18 holes in a maximum time of 4.5 hours. In exceptional circumstances (such as extreme weather/playing conditions), the GWG M&P has the authority to modify this time requirement.
- 4.4.2. Any match of a contest will be considered to be out of position if at any point in the round the match is more than one hole behind the group in front of them.
- 4.4.3. If a match/group is out of position, loss of hole penalties may be issued by either the GWG M&P members or appointed Rules Officials to an individual who, by his pace of play is responsible for such delay. Officials must issue one (1) warning prior to imposing penalties.
- 4.4.4. If both players in a match/group are equally contributing to an unacceptable pace of play, they may be "walked" a hole(s) until they are considered to be in position. If this occurs, both players may be required to appear before the GWG M&P at the conclusion of play and may be subject to suspension from further Pennant match(es) in the current season.

4.5. Suspension of play and abandonment of contests

- 4.5.1. In the event of heavy rain, lightning, fog, extreme heat, unplayable course conditions or for any other reason, the GWG M&P will be responsible for deciding whether to suspend or resume play. The signal for suspended play will be three short siren blasts. The procedure when play is suspended is outlined under **Rule of Golf 5.7**.
- 4.5.2. When the course is ready for play, players will be advised to return to their various locations. The signal for the resumption of play will be one long siren blast. Every effort should be made to complete all contests on the scheduled day.

- 4.5.3. If the WG M&P determine that completion is not possible on the scheduled day and less than half of the contests have been decided, the round will be abandoned.
- 4.5.4. If GWG M&P determine that completion is not possible on the scheduled day and at least half of the contests have been decided, play in all unfinished matches should be resumed on a day or days to be determined by GWG M&P in consultation with the host club. Matches will resume from the last completed hole. In exceptional circumstances, GWG M&P may appoint an alternative venue for the conclusion of unfinished matches. The result of any decided matches will stand in this instance.
- 4.5.5. If resumption of play is not possible on the determined day or days, WG M&P will determine the action to be taken.
- 4.5.6. In the event of extreme heat, WG M&P will act in accordance with the GV Heat Policy, as stated on the GV website:
